In the event that there is any conflict or inconsistency between the terms and conditions of the Articles and the terms and conditions of the Bylaws or the Rules and Regulations, the terms and conditions of the Articles shall control. In the event of any conflict or inconsistency between the terms and conditions of the Bylaws and the terms and conditions of the Rules and Regulations, the terms and conditions of the Bylaws shall control.

4.4 Books and Records. Upon request, the Association shall allow Owners and Mortgagees to inspect current copies of the Association Documents and the books, records, budgets and financial statements of the Association at the offices of the Association during normal business hours and under other reasonable circumstances. The Association may charge a reasonable fee for copying such materials as well as for the time of Association staff members associated with such inspection.

4.5 Personal Liability and Indemnification.

(a) No officer, director, employee, agent or committee member of the Association shall be personally liable to the Association or any Owner for any injury, damage, loss, cost or expense suffered or incurred by reason of any act or omission of such officer, director, employee, agent or committee member unless a court of competent jurisdiction finds

that the act or omission of such officer, director, employee, agent or committee member was wanton and willful.

(b) The Association shall indemnify and hold harmless each present or former officer, director, employee, agent or committee member of the Association against any and all claims, suits, proceedings, injuries, damages, losses, costs and expenses, including, but not limited to, attorneys' fees and disbursements, asserted against or incurred by any such present or former officer, director, employee, agent or committee member to the fullest extent permitted by the Association Documents; provided, however, that in no event shall the Association indemnify or hold harmless any such officer, director, employee, agent or committee member to the extent that he or she is personally liable for an act or omission under paragraph 4.5(a) above.

V. MEMBERSHIP IN THE ASSOCIATION

5.1 Membership.

(a) There shall be one Membership appurtenant to each Lot. A Membership may not be separated from the ownership of the Lot to which it is appurtenant.

(b) Any Membership appurtenant to a Lot having more than one Owner shall be shared by such Owners, and each such Owner shall be a member of the Association. The voting rights of any such members shall be shared between or among the Owners as provided in paragraph 5.3 below.

5.2 Transfer of Membership. An Owner shall not sell, assign, transfer, convey, pledge or encumber the Owner's Membership in any way, except upon the sale or encumbrance of the Lot to which the Membership is appurtenant, and then only to the purchaser(s) of fee simple title to the Lot or the Mortgagee of the Lot. A transfer of ownership of

a Lot may be made by deed, intestate succession, testamentary disposition, foreclosure of a Mortgage of record or such other legal process as is now effective or may hereafter become effective in that regard under the laws of the State of Colorado. Any attempt to transfer a Membership in a manner other than those permitted by this Section 5.2 shall be null and void.

5.3 Voting.

(a) The Owner of each Lot to which a Membership is appurtenant shall be entitled to one vote, except that the Association shall have no voting rights.

(b) If a Lot to which a Membership is appurtenant is owned by more than one Person, such Owners shall be entitled to cast one collective vote; fractional voting shall not be allowed. If such Owners cannot agree as to how to cast their vote when they are required to cast their vote on a particular matter, they shall lose their right to vote on such matter. If any Owner casts a vote representing a certain Membership, it will thereafter be conclusively presumed for all purposes that the Owner was acting with the authority and consent of all other Owners with whom such Owner shares the Membership, unless objection to such vote is made to the chairperson of the meeting at the time the vote is cast. If more than one vote is cast for any particular Membership, none of such votes shall be counted and all of such votes shall be deemed null and void.

(c) Notwithstanding anything to the contrary contained herein, Declarant shall have the exclusive right to appoint and remove all members of the Board of Directors of the Association until the date on which 95 percent of the Property has been sold to a Person or Persons other than Declarant. Thereafter, Declarant shall have the exclusive right to appoint and remove two-thirds of the members of the Board of Directors (rounded upward to the nearest whole director) until such time as Declarant no longer owns any Lot or Tract within the

Subdivision. Declarant may relinquish the exclusive rights afforded it pursuant to the two preceding sentences in the manner provided in Section 6.2 below. Any director(s) not appointed by Declarant pursuant to the exclusive rights afforded it by this paragraph and Section 6.2 below shall be elected by the affirmative vote of a majority of the Owners present in person or by proxy at a meeting at which a quorum is present called for the purpose of electing directors. In any election of members of the Board of Directors of the Association, each Membership shall have a number of votes equal to the number of members to be elected to the Board of Directors of the Association. Cumulative voting shall not be allowed in the election of members of the Board of Directors or for any other purpose.

(d) All meetings at which the Owners shall be presented with matters to vote on shall be called by the Board of Directors of the Association on not less than fifteen days' written notice to all Owners, which notice shall be delivered to each such Owner at the address of such Owner's property within the Subdivision, unless such Owner designates another address for such purpose by written notice to the Secretary of the Association.

5.4 Membership Rights and Obligations. Each Owner shall have the rights, duties and obligations set forth in the Association Documents.

VI. BOARD OF DIRECTORS OF THE ASSOCIATION

6.1 Powers of the Board of Directors.

(a) Except as provided in this Declaration, the Articles and the Bylaws, or by law, the Board of Directors may act on behalf of the Association in all instances.

(b) The Board of Directors may not act on behalf of the Association to: (i) amend this Declaration; (ii) terminate the legal status of the Subdivision; (iii) elect members

of the Board of Directors, other than to fill a vacancy for the unexpired portion of the term of a member of the Board of Directors as provided in the Articles and Bylaws; or (iv) determine the qualifications, powers and duties, or terms of office, of members of the Board of Directors.

(c) The Board of Directors shall consist of at least three members, one of whom shall be designated as chairperson. The term of each director shall be as set forth in the Articles and Bylaws. A member of the Board of Directors may resign at any time by giving written notice to the Association, and such a resignation shall take effect upon receipt by the Association or such other date as is specified in such notice.

(d) The Board of Directors shall appoint all members of the Review Board and shall have the authority to remove or replace such members, with or without cause, upon a majority vote of the members of the Board of Directors.

6.2 Declarant Control Period.

(a) Declarant shall have the exclusive right to appoint and remove all of the members of the Board of Directors of the Association during that portion of the Declarant Control Period (as such term is defined in paragraph (b) below) commencing on the date on which Declarant forms the Association and ending on the date on which 95 percent of the Property has been sold to a Person or Persons other than Declarant.

(b) Subject to the terms and conditions of paragraphs 6.2(a) above and 6.2(c) below, but notwithstanding anything else to the contrary contained in this Declaration or in any other Association Document, Declarant shall have the exclusive right to appoint and remove two-thirds of the members of the Board of Directors of the Association during the Declarant Control Period. The term "Declarant Control Period" means the period commencing on the date

on which Declarant forms the Association and ending on the date on which Declarant no longer owns any Lot or Tract.

(c) Declarant may voluntarily surrender its right to appoint and remove all members of the Board of Directors, or any of them, prior to the expiration of the Declarant Control Period, by giving written notice to the Association that Declarant relinquishes its right to appoint all members or any member of the Board of Directors, which notice shall be accompanied by the written resignation of that member or those members of the Board of Directors. In the event Declarant so relinquishes its right with respect to a member or all members of the Board of Directors, Declarant may require, for the remainder of the Declarant Control Period, that specific actions of the Association or the Board of Directors, as described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective.

(d) Not later than thirty days after the expiration of the Declarant Control Period, the Owners shall elect a Board of Directors of at least three members pursuant to Section 6.1 above and the Articles and Bylaws.

(e) Notwithstanding anything to the contrary contained herein, Declarant may not authorize nor cause the Board of Directors of the Association to authorize the distribution or lending of any funds from the Association to Declarant or any entity controlled by Declarant.

6.3 Removal of Members of the Board of Directors.

Notwithstanding any provision of this Declaration or any other Association Document to the contrary, the Owners, by a vote of at least 60 percent of the votes allocated to all Memberships represented in person or by proxy at any meeting at which a quorum is present, may remove any

member of the Board of Directors, with or without cause, other than a member of the Board of Directors appointed by Declarant.

VII. ASSESSMENTS, COMMON EXPENSES, BUDGETS AND LIENS

7.1 Obligations for Assessments and Other Charges.

(a) Declarant, for each Lot it owns, hereby covenants and agrees, and each Owner, by accepting a deed to a Lot (whether or not it shall be expressly stated in such deed), shall be deemed to have covenanted and agreed, to pay to the Association all (i) Annual Assessments; (ii) Default Assessments; and (iii) other charges that the Association is required or permitted to levy or impose on such Owner or such Owner's Lot pursuant to this Declaration or any other Association Document.

(b) No Owner shall be exempt from liability under this Section 7.1 by waiving the use or enjoyment of any Common Element or by abandoning the Lot against which such Assessments are made.

(c) Except as provided in this paragraph 7.1(c) and Section 18.4 below, the obligation to pay to the Association any Assessment or other charges levied against any Lot shall be a joint and several obligation of the Owner of such Lot and such Owner's successors, assigns, heirs, devisees and personal representatives. A Person acquiring fee simple title to a Lot shall be jointly and severally liable with the former Owner of the Lot for all Assessments and other charges that had accrued and were payable when such Person acquired fee simple title to the Lot, for so long as such Person holds fee simple title to the Lot.

(d) Each Assessment or other charge, together with interest and penalties thereon and all costs and expenses incurred by the Association to collect such

Assessment or other charge, including reasonable attorneys' fees and disbursements, may be recovered by a suit for a money judgment by the Association without foreclosing or waiving any Assessment Lien securing the same.

7.2 Purpose and Use of Assessments and Other Charges. The Assessments and other charges levied or imposed and collected by the Association under the Association Documents shall be used exclusively to pay Common Expenses, including allocations to reserves. The Association may invest any funds allocated to reserves in a prudent manner. Unless expressly required by the laws of the State of Colorado or an Association Document, the Association need not refund or credit to Owners any excess funds collected by the Association.

7.3 Allocation of Common Expenses. Except as otherwise set forth in this Declaration, all Common Expenses shall be allocated equally among all Lots that have been created pursuant to a Plat prior to the date on which the Common Expenses were incurred. The formula for calculating the percentage of Common Expenses allocated to each Lot shall be:

$$\frac{1}{\text{Number of Lots created prior to the date on which the Common Expenses were incurred}}$$

7.4 Budgets.

(a) Prior to the first levy of an Annual Assessment, and, thereafter, on or before October 1 of each calendar year the Board of Directors of the Association shall adopt an annual budget for the Association for the following calendar year.

(b) If the Board of Directors of the Association deems it necessary or advisable to amend an annual budget that it has adopted under paragraph 7.4(a) above, the Board of Directors may adopt an amendment to the annual budget.

7.5 Annual Assessments.

(a) After the Board of Directors adopts an annual budget pursuant to paragraph 7.4(a) above, the Association shall levy an Annual Assessment on each Lot based on the budget. The amount of the Annual Assessment shall be the same for each Lot. Except as otherwise provided herein, the Owners shall pay the Annual Assessments levied against their respective Lots in such periodic installments as may be required by the Board of Directors.

(b) If the Board of Directors ratifies an amendment to the annual budget pursuant to paragraph 7.4(b) above, the amount of the Annual Assessment levied against each Lot shall be adjusted accordingly, as shall the amount of each Owner's periodic installments.

(c) If the Board of Directors fails to adopt an annual budget for any calendar year prior to January 1 of that calendar year, the Owners shall continue to pay periodic installments of the Annual Assessment to the Association at the rate payable during the prior calendar year until such time as the Board of Directors adopts a new annual budget for the then-current calendar year. Once the Board of Directors adopts a new annual budget, the Association shall levy on each Lot the Annual Assessment for the then-current calendar year and each Owner's periodic installments shall be adjusted as necessary to pay the new Annual Assessment in equal periodic installments over the remainder of such calendar year, giving the Owners credit for any installments that the Owners have previously paid to the Association during such calendar year.

(d) The failure of the Association to levy an Annual Assessment for any calendar year shall not be deemed a waiver, modification or release of the Owners' liability for Common Expenses.

(e) Notwithstanding anything to the contrary contained herein, no assessment for Common Expenses shall be levied against Owners by the Association prior to January 1999.

7.6 Default Assessments.

(a) Notwithstanding anything to the contrary contained herein, if any Common Expense is caused by (i) the negligence or misconduct of an Owner or an Owner's family member, employee, agent or guest, or (ii) a violation of any covenant, condition or restriction of an Association Document by an Owner or an Owner's family member, employee, agent or guest, the Association shall, if it deems necessary or advisable, levy an Assessment against such Owner's Lot for the amount of such Common Expense. In addition, the Association shall, if it deems necessary or advisable, impose a fine, penalty, fee or other charge upon an Owner for the violation of any covenant or condition of any Association Document by an Owner or an Owner's family member, employee, agent or guest. Any such Assessment levied by the Association, and each fine, penalty, fee or other charge imposed hereunder, are each referred to herein as a "Default Assessment."

(b) Default Assessments need not be shown on an annual budget, or on an amendment to an annual budget, adopted by the Board of Directors of the Association; provided, however, that with respect to any Default Assessment, or portion thereof, levied other than as a late charge, the Owner of the Lot against which the Association seeks to levy the Default Assessment shall be provided notice and an opportunity to be heard. Owners of Lots against which Default Assessments have been levied shall pay such Default Assessments when required by the Association.

7.7 Assessment Lien.

(a) The Association shall have a lien on each Lot for any Assessment levied against that Lot or the Owner thereof and any interest, reasonable attorneys' fees and disbursements and costs of collection incurred by the Association in connection therewith. The Assessment Lien shall secure all of the foregoing obligations of an Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien secures each installment from the time it becomes due, including the due date set by any valid acceleration of installment obligations by the Association.

(b) An Assessment Lien is prior to all other liens and encumbrances on a Lot except:

(i) liens and encumbrances recorded prior to the recordation of this Declaration;

(ii) a Mortgage which is not subordinate to any other lien or encumbrance, except liens for taxes or other liens which are given priority by statute, and which was recorded before the date on which the Assessment sought to be enforced became delinquent (except to the extent the Assessment Lien is afforded super-priority under the Act); and

(iii) liens for real estate taxes and other governmental assessments or charges against the Lot.

(c) If an Assessment Lien exists with respect to a Lot over which another association has or files a lien under Section 38-33.3-316, and the Assessment Lien is prior in time to the lien of the other association, then the Assessment Lien has priority over the

other association's lien notwithstanding anything to the contrary in Section 38-33.3-316(3) of the Act.

(d) The recording of this Declaration constitutes record notice and perfection of an Assessment Lien on each Lot. No further recordation of any claim of any Assessment Lien is required.

(e) An Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within ten years after the Assessment secured thereby becomes due.

(f) This Section 7.7 does not prohibit: (i) actions or suits to recover sums secured by an Assessment Lien, or (ii) the Association's taking of a deed in lieu of foreclosure.

(g) In any action by the Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver of the Owner to collect all sums alleged to be due from the Owner prior to or during the pendency of the action. A court may order the receiver to pay any sums held by the receiver to the Association during the pending of the action to the extent of the Association's Assessments.

(h) An Assessment Lien may be foreclosed in like manner as a mortgage on real estate.

7.8 Estoppel Certificates; Notices to Mortgagees.

(a) The Association shall furnish to an Owner or such Owner's designee or to a Mortgagee or its designee, upon written request, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the Association's Treasurer, a statement setting forth the amount of unpaid Assessments currently levied against such Owner's

Lot. The statement shall be furnished within 14 calendar days after the Association's receipt of the request and shall be binding on the Association, the Board of Directors of the Association and every Owner. If no statement is furnished by the Association to the Owner, the Mortgagee or their designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, following a written request meeting the requirements set forth above, then the Association shall have no right to assert an Assessment Lien upon the Lot for unpaid Assessments which were due as of the date of such request.

(b) The Association shall report to any Mortgagee any unpaid Assessments remaining unpaid for more than sixty days after the same shall have become due, if such Mortgagee first shall have delivered to the Association a written request for notice of unpaid Assessments. Any Mortgagee holding a lien on a Lot may pay any unpaid Assessment with respect to such Lot, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such Mortgagee shall have a lien on the Lot for the amounts paid with the same priority as a lien of the Mortgage held by such Mortgagee.

7.9 Limitation of Liability for Common Expense.

Notwithstanding anything to the contrary contained herein or in any other Association Document, the annual average Common Expense liability of each Lot, exclusive of optional user fees and any insurance premiums paid by the Association, shall not exceed the amount specified from time to time in Section 38-33.3-116 of the Act as the maximum annual average common expense liability of each unit restricted to residential purposes. The amount specified in Section 38-33.3-116 of the Act as of the date hereof is $300 per Lot.

VIII. MAINTENANCE OF COMMON ELEMENTS

Except as otherwise provided in this Declaration, the Association, or its duly designated agent, shall maintain all Common Elements and the improvements and landscaping located thereon in good order and repair and otherwise manage and operate all Common Elements so that the Subdivision reflects a high level of pride of ownership. In this regard the Association may:

(a) construct, modify, add to, replace or renovate any improvements that are located on, or constitute a part of, any Common Element;

(b) plant and replace trees, shrubs and other vegetation on any Common Element;

(c) place, maintain and replace signs upon any Common Element;

(d) adopt and enforce Rules and Regulations regulating the use of Common Elements;

(e) impose and collect fees for the use of any Common Element; and

(f) take any other actions that the Association deems necessary or advisable to (i) protect and maintain the Common Elements; (ii) preserve the beauty and value of the Subdivision; and (iii) fulfill the stated purposes of the Association.

IX. REVIEW BOARD

9.1 Purpose. Any and all exterior design, landscaping and uses of new development on and/or additions to any property within the Subdivision, as well as any changes or alterations thereto, shall be subject to review by and consent of the Review Board. The goal of such review and consent shall be to create, maintain and improve the Subdivision as a pleasant

and desirable environment, establish and preserve a harmonious design for the community, and protect and enhance the value of the Property.

9.2 Appointment of Members. The Association shall establish a Review Board consisting of a minimum of three members. Each member of the Review Board shall be appointed by the Board of Directors of the Association, and any such member may be removed, with or without cause, at any time, by the Board of Directors of the Association by giving written notice to such member.

9.3 Authority of Review Board.

(a) The Review Board shall establish and have the authority to amend and modify rules, regulations and design guidelines (the "Design Guidelines") governing the design and construction of, as well as improvements to, all structures, landscaping, recreational facilities, exterior lighting, signage and general improvements proposed within the Subdivision. Any and all such Design Guidelines, together with any amendments or modifications thereto, shall be approved by Declarant for so long as Declarant continues to own any portion of the Property, including any Tract.

(b) The following, among other things, shall require prior written approval of the Review Board: grading and other site preparation; landscaping (including, without limitation, tree cutting and clearing); building construction; sign design and erection; exterior changes to property or improvements; modification, alteration or enlargement of any existing structure; paving and driveways; fencing; exterior lighting; location and maintenance of all structures and improvements; and changes to the permitted use of any property within the Subdivision. In exercising its authority to modify or reject any project proposal, the Review Board may, when warranted, consider whether such proposal would cause an unacceptable

disturbance of views for other sites or adjacent structures, but such consideration shall weigh heavily the right of each Owner to use and develop his or her property in keeping with the standards set forth in this Declaration. The approval of the Review Board shall not be required for alterations or remodeling which are completely within a building or structure, do not change the exterior appearance thereof and are not visible from the outside of the structure.

(c) The Review Board shall have sole and exclusive power to enforce compliance with the Design Regulations, and in that regard, shall have the authority to levy and collect fines (including incremental fines for repeat offenders), sue for damages or injunctive relief, foreclose the Assessment Lien or exercise any other enforcement power conferred upon the Association by this Declaration. Notwithstanding anything to the contrary contained herein or in any other Association Document, no Owner shall have the right to enforce or seek enforcement of the covenants, conditions or restrictions contained herein or the Design Guidelines, Rules and Regulations or any other Association Documents.

9.4 Decisions of Review Board. Actions taken by the Review Board shall not be arbitrary or capricious, and shall be presumed to be enforceable in accordance with their terms. Decisions of the Review Board shall be conclusive and binding on all interested parties. Any challenge to a decision of the Review Board must be filed in a court of competent jurisdiction within thirty days of receipt of notice of such decision by the affected party or parties.

9.5 Inspection of Projects. The Review Board or its designated representatives may monitor any approved project within the Subdivision to ensure that the construction or work on such project complies with any and all approved plans, construction procedures, applicable Rules and Regulations and applicable law. The Review Board or its designated representatives

may enter upon any property within the Subdivision at any reasonable time or times to inspect the progress, work status, or completion of any project. The Review Board may withdraw its approval of any project and require all activity at such project to be stopped if deviations from the approved plan, construction practices, applicable Rules and Regulations or applicable law are not corrected or reconciled within ten days after written notification to the Owner of the subject property specifying such deviations, or within such lesser period of time as is specified by the Review Board in such notice to the owner. The Review Board shall have the authority to levy and collect Default Assessments for such deviations, including, without limitation, incremental monetary fines for the occurrence of repeated violations.

9.6 Notice. Any material to be submitted or notice to be given to the Review Board shall be submitted at the offices of the Association in the Town of Breckenridge. The current address of such office is 0069 Marksberry Way, Breckenridge, Colorado 80424.

9.7 Fees. The Review Board may establish a reasonable processing and review fee tied to an objective, measurable standard to defer its costs in considering any requests for approvals submitted to it, which fee shall be paid at the time the request for approval is submitted.

9.8 Review Board Not Liable. Neither Declarant, the Review Board, nor any of their respective officers, directors, employees, members or agents shall be responsible or liable for any defects in any plans or specifications which are submitted, revised or approved pursuant to this Article IX, nor for any defects in construction pursuant to such plans and specifications, nor for any loss, damage or injury arising out of or in any way connected with the performance of the duties of the Review Board, unless due to the willful misconduct or conscious bad faith of the party to be held liable. In reviewing any matter, the Review Board shall not be responsible for

reviewing, nor shall its approval of any project be deemed approval of, the project from the standpoint of safety, whether structural or otherwise. Approval of plans and specifications pursuant to this Article IX shall not relieve any Owner of said Owner's responsibility to comply with any and all applicable governmental laws or regulations.

X. LIMITATION AND RESTRICTIONS ON BUILDING IMPROVEMENTS

10.1 Permitted Improvements--Single-Family Residential Lots. Lots containing a Density and Land Use Classification of Single-Family Residential may not contain any building improvements except:

(a) One Single-Family Structure together with one garage of a size sufficient to enclose a minimum of two automobiles per garage, but no more than three automobiles per garage, unless the Review Board consents in writing to the design of a larger garage; or

(b) One Single-Family Structure and one Accessory Apartment together with up to two garages, of which one garage may be of a size sufficient to enclose a minimum of two automobiles, but no more than three automobiles, and one garage, of a size sufficient to enclose no more than one automobile, unless the Review Board consents in writing to the design of a smaller or larger garage; and

(c) Such enclosed service areas for garbage, trash, utilities and other maintenance facilities as may be approved in writing by the Review Board; and

(d) Such fences, walls, driveways and parking areas as may be approved in writing by the Review Board; and

(e) Landscaping improvements approved in writing by the Review Board; and

(f) Swimming pools, hot tubs, tennis courts, solar devices and greenhouses approved in writing by the Review Board.

10.2 Chalet House Operations Not Permitted. Notwithstanding anything to the contrary contained herein, Chalet House operations or any other similar form of lodging are expressly prohibited within the Subdivision, unless such operations are pre-approved in writing by the Association and a permit is obtained as required under Section 11.7.

10.3 Permitted Improvements--Open Space. Property within the Subdivision containing a Density and Land Use Classification of Open Space may be used for picnic areas and shelters, playing fields, playgrounds, landscape improvements, pools, streams, ponds, street lighting, project identification signage, use-control signage, drainage systems, pedestrian easements, access and trail easements and underground utilities or other similar uses approved by the Board of Directors. Notwithstanding anything to the contrary in this Section 10.7, Property within the Subdivision that is designated as "Natural Open Space" on any plat for the Subdivision is intended to serve as a natural buffer and to remain substantially in its natural state. Accordingly, Property that is designated as "Natural Open Space" on any plat for the Subdivision may be used only for landscape improvements, drainage systems, underground utilities, project identification signage and other uses that do not materially interfere with the natural state of such property. Any improvements to be placed or constructed on Property designated as "Natural Open Space," including those permitted improvements listed above, must be pre-approved in writing by the Town of Breckenridge and the Association.

10.4 Prohibited Improvements. No structures or buildings of a temporary character (except a sales facility or construction trailer for Declarant's use in selling or developing Lots or Tracts within the Subdivision), nor any mobile home, house trailer, tent, shack, or other such structure shall be placed or used within the Subdivision, either temporarily or permanently, without prior written approval of the Review Board, which approval may be withheld in the Review Board's sole discretion. Notwithstanding the preceding sentence, necessary appurtenances, modest construction trailers and structures of a temporary nature may be used without the Review Board's approval during the period of performance of construction of any improvement for which necessary government permits and Review Board approval have been obtained, provided that (a) the Review Board shall approve the location and appearance of such appurtenances, trailers or structures, (b) no overnight occupancy shall be permitted in any such appurtenance, trailer or structure, and (c) such appurtenances, trailers or structures shall be removed from the Subdivision on the earlier of (i) the date that is twelve months after the initial use thereof and (ii) the date of substantial completion of said improvement.

10.5 Location of Dwellings and Setbacks. Location of dwellings will be in accordance with the Design Guidelines and the Development Code and, if applicable, within the building envelopes shown on the Plat, the Design Guidelines or other documents approved by the Board of Directors. Distances shall be measured from the Lot line to the nearest projection of any part of the improvement, including, but not limited to, porches, patios, decks, parking aprons and roof overhangs.

10.6 Review Board Approval Required. Each Owner agrees that he or she will not apply to Summit County, Colorado, or to the Town of Breckenridge or any other governmental authority for permission to construct building improvements on such Owner's

property without the prior express written authorization of the Review Board. Any application to the Town of Breckenridge for a building permit must be for a structure consistent with that approved by the Review Board. It shall be an objective of the Review Board to prevent the making of improvements which will materially impair the aesthetic and monetary values of the Subdivision. In reviewing proposed projects, the Review Board will consider, among other things, the following factors: (a) the suitability of the improvements and the materials of which they are to be constructed; (b) the quality of all materials to be utilized in any proposed improvement; (c) the effect of any proposed improvement on adjacent or neighboring property, provided that each Owner of property within the Subdivision is entitled to use and develop his or her property in accordance with the standards set forth herein and the Design Guidelines; (d) the location and character and method of utilization of all utility services; (e) the impact of any proposed improvement upon the natural surroundings; and (f) the timely and orderly completion of all such improvements.

10.7 Town Approval Required. No modification or other improvement to a Lot or dwelling unit that requires the approval of the Town of Breckenridge under the Development Code of the Town of Breckenridge or other applicable law, rule or ordinance shall be made or build until such approval has been obtained.

10.8 Square Footage Requirements. The Review Board may establish minimum and maximum square footage requirements with respect to dwelling units constructed within the Subdivision.

10.9 Property to Be Maintained. The Owner and lessee of any property within the Subdivision shall have the responsibility of keeping the premises, building, improvements, appurtenances and landscaping in a well maintained, safe, clean and attractive condition at all times. In order for the Subdivision to maintain property values and a high level of pride and ownership, the minimum maintenance standard for the property is consistency with Final Design Approvals. All exterior surfaces of the home shall be maintained consistent with original installation. Due to weather impact, all exterior surfaces will need continuous attention in order to comply. Grass, weeds and vegetation on each Lot shall be maintained regularly, this includes noxious weeds. The main noxious weeds species targeted in Breckenridge include the Oxeye Daisy, Scentless Chamomile, and Common Tansy. Compliance with the Summit County Weed Management Program is required. Information on noxious weeds is on the Town of Breckenridge and Summit County Websites. Erosion control and site grading on all properties must be maintained. In addition, drainage areas over and across any part of a Lot shall be kept clean and open so as to maintain the Subdivision in a neat and attractive manner.

Each year, dead or infested trees, shrubs, vines and plants shall be removed from the property. Owners are required to cut down, remove and chip all Mountain Pine Beetle ("MBP") infested and standing dead trees on their property by June I of each year.

The Board of Directors may adopt rules and regulations consistent with this section for its administration and enforcement, including without limitation the adoption of monetary fines and fees for the failure to remove MPB infested trees or standing dead trees.

Fines, fees, and administrative costs imposed by the Board of Directors, if any, are in addition to the enforcement remedies available to the Board of Directors and the Association. All remedies provided herein, in any adopted rules and regulations of the Board of Directors, or at law or in equity shall be cumulative and not exclusive.

10.10 No Illegal, Noxious or Offensive Activity. No illegal, noxious or offensive activity shall be carried on upon any portion of the Property, nor shall anything be done or placed on any Property which is or may become a nuisance or cause any significant embarrassment, disturbance or annoyance to others.

10.11 No Hazardous Activities. No activities shall be conducted on any portion of the Property and no improvements may be constructed on any portion of the Property which are or might be unsafe or hazardous to any person or Property; provided, however, that construction activities for which all applicable permits and Review Board approval have been obtained and which are conducted in accordance with industry standards shall not violate this Section. Without limiting the generality of the foregoing, (a) no firearms shall be discharged upon any portion of the Property, and (b) no open fires shall be lighted or permitted on the Property except in a contained barbecue unit while attended and in use for cooking purposes or within a safe and well-designed interior fireplace (except (i) controlled picnic fires in Open Space which may be designated for such use by Declarant or the Association and (ii) attended fires authorized in writing by Declarant or the Association and required for clearing or maintenance of land).

10.12 Restriction on Further Subdivision; Combining Lots. (a) No Lot having a Density and Land Use Classification of Single-Family Residential shall be further subdivided or separated into smaller lots by any Owner, and no portion less than all of any Lot, nor any easement or other interest therein, shall be conveyed or transferred by any Owner without the prior written approval of Declarant, which approval may be withheld in Declarant's sole

discretion. This provision shall not, in any way, limit Declarant from subdividing any land reserved for future development or any other land owned by Declarant, in accordance with the provisions of the Master Plan.

(b) With the approval of the Review Board, any Owner of two or more adjacent Lots, which Lots share one or more lot lines, may resubdivide said Lots for the purpose of adjusting the size of the resulting lot or lots; provided, however, that the Review Board shall have the authority to modify or supplement the covenants, conditions and restrictions applicable to such resulting lots and to condition its approval on the Owner's agreement to be bound thereby. In no event, however, shall the Review Board approve any subdivision of Lots pursuant to the preceding sentence if such subdivision would increase the number of Lots within the property to be subdivided. Any Owner desiring to resubdivide Lots pursuant to this Section shall fully comply with all applicable ordinances and regulations of the Town of Breckenridge and shall prepare, execute and record in Summit County, Colorado: (i) an appropriate amendment to the Plat conforming to all requirements of the Development Code and containing the consent of the Review Board and of the holders of any mortgages or deeds of trust encumbering the affected Lots and (ii) any instruments necessary to subject the resubdivided Lots to any modified or supplemental covenants, conditions and restrictions required by the Review Board as a condition of its approval. All expenses associated with the resubdivision (including, without limitation, the costs of preparing the subdivision plat, costs incurred in connection with any modification or supplementation of the covenants, conditions and restrictions applicable to the resubdivided lots, attorneys' fees incurred by the Review Board, and recording and filing fees) shall be the responsibility of and paid by the Owner desiring such resubdivision.

10.13 Sewage Disposal Systems. No cesspools or septic tanks shall be permitted on any portion of the Property without the prior written approval of the Review Board.

10.14 Fences. All fences, walls or other barriers on any Lot, as limited by the Design Guidelines, may be erected only upon prior written approval of the Review Board.

10.15 Paved Areas and Driveway Construction. Private driveways and parking areas must be paved in accordance with the Design Guidelines. Materials used to create special paving patterns are subject to Review Board approval.

10.16 Storage of Equipment and Vehicles. All boats, snow plows, campers and extra motor vehicles must be stored in a garage. Motor homes, travel trailers, construction equipment and other outsized machinery and equipment shall not be stored or parked within the Subdivision; provided, however, that the Review Board may waive this restriction, in its sole discretion, in writing. This Section 10.20 shall not prohibit the storage or parking of construction equipment and machinery within the Subdivision during the period of construction activities for which all applicable permits and Review Board approval have been obtained, provided that the Review Board may require the removal of any such equipment or machinery upon written notice to the Owner of the affected Lot.

10.17 No Unsightliness. No unsightliness shall be permitted on any Property. Without limiting the generality of the foregoing: (a) all unsightly structures, facilities, equipment, objects and conditions shall be enclosed within an approved structure, except as otherwise provided herein; (b) refuse, garbage and trash shall be kept in a covered container at all times and any such container shall be kept within an enclosed structure; (c) service areas and facilities for hanging, drying or airing clothing or fabrics shall be kept within an enclosed structure; (d) pipes for water, gas, sewer, drainage or other purposes, wires, poles, antennas and

other facilities for the transmission or reception of audio or visual signals or electricity, utility meters or other utility facilities, gas, oil, water or other tanks shall be kept and maintained within an enclosed structure or below the surface of the ground unless otherwise approved in writing by the Review Board prior to installation, except that satellite reception equipment no larger than 18 inches in diameter shall be permissible upon written approval of the proposed location thereof by the Review Board; and (e) no metals, bulk materials or scrap or refuse or trash or unused items of any kind (other than a reasonable amount of neatly stacked firewood) shall be kept, stored or allowed to accumulate on any Property. All enclosed structures shall comply with the Rules and Regulations as in effect from time to time. The Review Board shall have the power to grant a variance from the provisions of this Section 10.21 from time to time as it deems necessary or desirable.

10.18 Pets. Dogs, cats or customary household pets, not to exceed three pets per dwelling unit, may be kept on the Property without the prior written approval of the Review Board. No wild animal, reptile or bird may be trapped, transported, kept or maintained anywhere within the Subdivision, except for (a) animal control activities of authorized governmental entities and licensed contractors and (b) activities of Owners to trap rodents for the purpose of removal or destruction. No pet may be kept which abnormally or unreasonably interferes with the rights, comforts or convenience of other Owners. For-profit breeding of any animals on the Property is specifically prohibited. All pets must be kept on a leash when outside an Owner's residence. No horses may be stabled or kept anywhere on the Property.

10.19 Restriction on Signs. No signs or advertising devices of any nature shall be erected or maintained on any Property except signs approved by the Review Board, signs required by law or legal proceedings, identification signs for work under construction (not to

exceed six square feet), temporary signs to caution or warn of danger or Association signs necessary or desirable to give directions or advise of rules or regulations. The Review Board shall have the authority to approve the size and location of signs within the Subdivision. Design Regulations adopted by the Review Board in regard to signage may be more restrictive than the Development Code.

10.20 Restriction on Parking. Parking of vehicles on the Property or any portion thereof is permitted with respect to a Lot only within parking spaces constructed with the prior approval of the Review Board and such parking shall be used only by the Owner or Lessee of such Lot or their guests for the parking of personal vehicles. The Association shall have the right to park any type of vehicle owned or used by the Association upon the Property only within parking areas either built by Declarant or approved by the Review Board in such areas designated for such purpose by Declarant. Notwithstanding the above, the Association may designate areas for off-street parking on the Property or any portion thereof for the temporary parking of maintenance and delivery vehicles, for the sole purpose of assisting in a maintenance operation or to provide for the loading or unloading of such vehicles, or to accommodate special circumstance. No bus shall be permitted to park or idle for periods in excess of ten minutes anywhere on the Property without the prior express written consent of the Review Board.

10.21 Restriction on Recreational Vehicles. No motorcycle, motorbike, skimobile, golf cart or other motorized recreational vehicle shall be operated within or on the Property except as otherwise specifically permitted by the Rules and Regulations. Motorcycles and motorbikes may be operated on public roads within the Subdivision in accordance with all applicable laws, provided that such use shall be subject to the Rules and Regulations, including,

without limitation, those Rules and Regulations governing noise, nuisances and other similar issues.

10.22 Restriction on Wood Burning. All wood-burning devices and wood burning within the Subdivision shall comply fully with all applicable laws and regulations of the Town of Breckenridge and all other applicable laws.

10.23 No Wells. No water wells shall be permitted on the Property or any portion thereof without the prior written approval of the Review Board.

10.24 No Mining and Drilling. No property shall be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing oil, gas or other hydrocarbons, minerals, rocks, stones, gravel or earth.

10.25 Additional Covenants, Conditions and Restrictions. By specific provision in any deed from Declarant, Declarant may subject any Property to be conveyed by such deed to particular covenants, conditions or restrictions applicable to the particular Property conveyed by such deed and, if any such deed contains any such covenants, conditions or restrictions, the deed may contain a provision that Declarant shall have the right, immediately or at any time during the continuation of any violation or breach of or failure to comply with any of said covenants, conditions or restrictions, to re-enter and retake possession of the Property described in such deed and that, upon exercise of this right of re-entry, title to such Property shall thereupon vest in Declarant.

XI. USE OF RESTRICTED LOTS AND PARCELS

11.1 Residential Purposes Only. No Lot may be used other than for residential purposes with customary accessory uses, which customary accessory uses shall include without

limitation long- or short-term rentals of property to persons who use such improvements for residential or lodging purposes. Such customary accessory uses shall specifically exclude Bed and Breakfast, Chalet House and other similar operations, which are hereby expressly prohibited. Notwithstanding the foregoing, Lots may be used for "Home Occupations" as defined in and permitted under the Development Code.

11.2 Open Space. Except as set forth below, no building improvements may be constructed or maintained on any Open Space, except those permitted under Section 10.5 above.

11.3 Applications for Zoning or Subdivision Changes. For so long as Declarant owns any portion of the Property, including any Tract, no Owner of any Lot or Tract within the Subdivision other than Declarant may apply to Summit County, Colorado, or to the Town of Breckenridge or any governmental jurisdiction to change the zoning applicable to such owner's Lot or Tract, or to subdivide such Lot or Tract, without the prior written approval of the Review Board.

11.4 Restriction on Timeshare Ownership. No Owner of any Lot or Tract within the Property shall dedicate or submit such Owner's Lot or Tract to a timeshare or similar arrangement without the prior written approval of the Association, which may be withheld in its sole discretion.

XII. BUILDING GUIDELINES

12.1 Design Regulations. All building improvements on any Property within the Subdivision must be built strictly in accordance with all applicable laws, this Declaration, the Rules and Regulations and the provisions of the Design Guidelines as adopted by the Review Board.

12.2 Authority of Review Board. By acquiring any interest in Property within the Subdivision, the Owner of such property consents to and accepts the authority of the Review Board to review and approve the plans and specifications for any improvements on such Property in accordance with the Design Guidelines as in effect from time to time. In particular, such Owner recognizes that certain of the judgments which will be made by the Review Board are subjective in nature, and such Owner agrees not to contest such subjective judgments unless they are made in bad faith or in an arbitrary and capricious manner.

XIII. EASEMENTS AND LICENSES

13.1 Declarant Reservation. Declarant reserves to itself, its successors and assigns, the right to establish from time to time, by dedication or otherwise, underground utility and other reasonable easements, permits or licenses over, across, through and under the Property, excluding those portions of the Property within building envelopes designated on the Plat, the Design Guidelines or other documents approved by the Board of Directors, for any purpose or use necessary or convenient for the use and occupancy of the Property or any other property owned by Declarant, which easements, permits or licenses may include, without limitation, water, sewer, gas, electricity, television cable, drainage, and irrigation.

13.2 Association's Easements Over Lots. Declarant hereby grants the Association and the Review Board an easement over, across, through and under each Lot to (a) exercise any right held by the Association or the Review Board under this Declaration or any other Association Document, and (b) perform any obligation imposed upon the Association or the Review Board by this Declaration or any other Association Document. Notwithstanding the

foregoing, neither the Association nor the Review Board shall enter upon any Lot without reasonable prior notice to the Owner of the Lot, except in cases of emergency.

13.3 Emergency Access Easement. Declarant hereby grants a perpetual non-exclusive easement to all police, sheriff, fire protection, ambulance and other similar agencies and persons to enter upon the Property in the performance of their duties.

13.4 Recorded Easements. The Property shall be subject to all easements as shown on any recorded Plat and to any other easements of record or of use as of the date of recordation of this Declaration. In addition, the Property is subject to all easements created by this Declaration.

XIV. RIGHT TO INCLUDE ADDITIONAL REAL PROPERTY AND EXCLUDE REAL PROPERTY

14.1 Right to Include Additional Real Property. For so long as Declarant owns any portion of the Property, Declarant may subject additional real property to this Declaration by recording in the real property records of Summit County, Colorado, an instrument signed by Declarant setting forth the following: (a) a statement that the real property to be added is owned by Declarant and is adjacent to the Property or within one mile of any boundary of the Property, (b) a statement that Declarant has determined that such real property should be included as a part of the Subdivision, (c) the legal description of the real property to be added, and (d) a statement that the property to be added shall be subject to and governed by the provisions of this Declaration. Upon the recording of such instrument, (i) the real property described therein shall thereafter be part of the Property and shall be governed by all of the provisions herein, and

(ii) the Declaration shall be deemed amended to add such additional property to the definition and description of the Property herein.

14.2 Right to Exclude Real Property. For so long as Declarant owns any portion of the Property, any real property made part of the Subdivision and subject to this Declaration, pursuant to this Declaration or Section 14.1 above, may at any time prior to conveyance of such property to a third party be excluded from the Subdivision and made no longer subject to this Declaration by the recording in the office of the Clerk and Recorder of Summit County, Colorado, of a written instrument signed by Declarant containing (a) a legal description of the real property to be excluded, (b) a statement that such real property is owned by Declarant, and (c) a statement that said real property shall no longer be deemed to be a part of the Subdivision or bound by or subject to any part of this Declaration.

XV. INSURANCE

The Association shall obtain and maintain such insurance as the Board of Directors of the Association shall deem necessary.

XVI. ENFORCEMENT AND REMEDIES

16.1 Enforcement.

(a) Each provision of this Declaration binding upon an Owner or a Lot is enforceable only by the Association by a proceeding for a prohibitive or mandatory injunction or by suit or action to recover damages, or in the discretion of the Association, for so long as any Owner fails to comply with any such provision, by exclusion of such Owner and such Owner's family members, tenants and guests from the use of any Common Elements and from

participation in any Association affairs. In addition, if an Owner fails to perform or observe any covenant or condition on such Owner's part to be performed or observed under this Declaration or any other Association Document, the Association shall have the following rights and remedies:

(i) The Association may, but is not obligated to, cure such failure to comply at the Owner's sole cost and expense. If the Association cures any such failure to comply, the Owner shall pay to the Association the amount of all costs incurred by the Association in connection therewith within thirty days after the Owner receives a written invoice therefor from the Association.

(ii) The Association may fine the Owner in accordance with Section 7.6 for each violation. The Owner shall pay any such Default Assessment to the Association within thirty days after the Owner receives written notice thereof.

(iii) The Association shall have all other rights and remedies available to it under this Declaration, at law or in equity.

(b) All rights and remedies of the Association shall be cumulative and the exercise of one right or remedy shall not preclude the exercise of any other right or remedy.

16.2 Attorneys' Fees. In the event of any dispute under or with respect to this Declaration or any other Association Document, or compliance therewith, the prevailing party (as to liability, without regard to any damage award) shall be entitled to recover from the

nonprevailing party all of its costs and expenses in connection therewith, including, but not limited to, reasonable attorneys' fees and disbursements.

16.3 Interest. If an Owner fails to pay to the Association any Assessment or other amount due to the Association as and when the same becomes due, the Owner shall pay interest on such unpaid amount to the Association at the rate equal to the prime rate established by Norwest Bank Colorado, National Association, plus five percentage points, which interest shall accrue from the due date of such unpaid amount until the date paid.

XVII. MISCELLANEOUS

17.1 Rule Against Perpetuities and Termination. Each provision contained in this Declaration which is subject to the laws or rules sometimes referred to as the rule against perpetuities or the rule prohibiting unreasonable restraints on alienation shall continue and remain in full force and effect for the period of 21 years following the death of the last survivor of the issue of Rose Kennedy and the now living children of said issue, or until this Declaration is terminated earlier by recorded instrument, directing termination, signed by the Owners of all property within the Subdivision. Notwithstanding anything to the contrary set forth herein, Declarant may terminate this Declaration at any time prior to the conveyance of any portion of the Property to a third party.

17.2 Amendment.

(a) Prior to the closing of the sale of the first Lot or Tract, Declarant may amend this Declaration in its sole discretion. Declarant may at any time amend this Declaration to add property to the Subdivision pursuant to Article XIV above.

(b) Except as otherwise provided in Section 9.3, the Declarations may be modified, altered, or amended only by vote or written consent of the Owners having at least sixty-seven percent (67%) of the total number of votes to which all Owners are entitled to vote. Any amendment to the Declarations shall be evidenced by the recording of a written instrument or instruments specifying the amendment or the repeal and containing the consents set forth above, if any.

17.3 Covenants Binding. Each provision of this Declaration and a promise, covenant and undertaking to comply with each such provision (i) shall be deemed incorporated in each deed or other instrument by which any right, title or interest in any of the Property is granted, devised or conveyed; (ii) shall by virtue of acceptance of any right, title or interest in any of the Property by an Owner be deemed accepted, ratified, adopted and declared as a personal covenant of such Owner and shall be binding on such Owner or his or her respective heirs, personal representatives, successors or assigns, to, with and for the benefit of the Declarant and all Owners within the Subdivision; (iii) shall be deemed a covenant, obligation and restriction secured by a lien binding, burdening and encumbering the title to all of such Owner's right, title and interest to any of the Property, which lien shall be deemed a lien in favor of the Declarant, as its interest may appear, and all Owners within the Subdivision; and (iv) shall run with the land.

17.4 Lender's Interest Not Impaired. No violation or breach of, or failure to comply with, any provision of this Declaration and no action to enforce any such provision shall affect, defeat, render invalid or impair the lien of any Mortgagee taken in good faith and for value and perfected by recording in the office of the Clerk and Recorder of Summit County, Colorado,

prior to the time of recording in said office of an instrument describing such Property and listing the name or names of the Owner or Owners of fee simple title to the Property and giving notice of such violation, breach or failure to comply; nor shall such violation, breach, failure to comply or action to enforce affect, defeat, render invalid or impair the title or interest of the holder of any such Mortgage acquired by a bona fide purchaser upon foreclosure of any such Mortgage, or result in any liability, personal or otherwise of any such holder or purchaser. Any such purchaser on foreclosure shall, however, take subject to this Declaration with the exception of violations or breaches of, or failures to comply with, any provisions of this Declaration which occurred prior to the vesting of fee simple title in such purchaser shall not be deemed breaches or violations hereof or failures to comply herewith with respect to such purchaser, his heirs, personal representatives, successors or assigns.

17.5 Interpretation of This Declaration. Except for judicial construction, the Association shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by court of competent jurisdiction, the construction or interpretation of the provisions hereof by the Association shall be final, conclusive and binding as to all persons and property benefitted or bound by the covenants and the provisions hereof.

17.6 Snow Removal and Stacking. The Town of Breckenridge will be responsible for snow clearing, removal and stacking following acceptance of the roads by the Town of Breckenridge. Various areas within the Subdivision may be designated by the Association from time to time as snow stacking areas. Neither the Town of Breckenridge, the Association nor Declarant will be responsible for snow clearing, removal or stacking on any private access easement or drive.

17.7 Failure to Act. Neither Declarant nor the Review Board, nor any member, agent or employee of any of the same shall be liable to any party for any action or for any failure to act with respect to any matter if the action taken or failure to act is in good faith and without malice.

17.8 Declaration Binding. Except as otherwise provided herein, this Declaration shall be binding upon and shall inure to the benefit of Declarant and each Owner and the respective heirs, personal representatives, successors and assigns of each.

17.9 Severability. Invalidity or unenforceability of any provision of this Declaration in whole or in part shall not affect the validity or enforceability of any other provision or any valid and enforceable part of a provision of this Declaration.

17.10 Failure to Enforce. Failure to enforce any provision of this Declaration shall not operate as a waiver of any such provision or of any other provision of this Declaration.

17.11 Disclaimer of Representations. Notwithstanding anything to the contrary in this Declaration, Declarant makes no warranties or representations whatsoever that the plan presently envisioned for the complete development of the Subdivision can or will be carried out or that any land now owned or hereafter acquired by Declarant is or will be subjected to this Declaration, or that any such land, whether or not it has been subjected to this Declaration, is or will be committed to or developed for a particular use, or that if such land is once used for a particular use, that such use will continue in effect.

17.12 Captions and Titles. All captions and titles of headings of Articles and Sections in this Declaration are for the purpose of reference and convenience only and are not to be deemed or construed to limit, modify or otherwise affect any of the provisions hereof or to be used in determining the intent or context thereof.

IN WITNESS WHEREOF, Declarant has executed this Declaration as of the date first set forth above.
